

Your Member ID Card: A Symbol of “Caring for Our Own”

Upon enrollment, members will receive a vinyl Member ID card to present to providers at the time of service.

The Member ID card is designed to make your experience smoother, more affordable, and more connected.

It serves the following purposes:

Establishes brand awareness and credibility with providers

Contains the Member ID number

Provides contact information

Clarifies that the member is uninsured but part of a viable health sharing ministry

Specifies that bills are negotiated directly rather than using preset Preferred Provider Organization (PPO) network discounts

Gives members better pricing for prescriptions through Judi Rx

Streamlines bill processing with electronic Payer ID

Gives quick access to the Provider's Guide

- All members are self-pay and uninsured.
- This membership does not utilize a PPO network.
- All medical providers and facilities are reimbursed in accordance with the terms of the member Guidelines.

- Medical bills must be submitted via the electronic payer ID or on CMS 1500 or UB-04 form or equivalent coded forms.
- Payments are based on industry standards using Reference-Based Pricing.

Explains the ethical framework of our payment process
